## Overview

I will develop **PG-11's** vision into a fully functional cross-platform website. Using the most up to date technologies I will implement the design and development and deploy it on servers you have sole access to.

## Why Me?

Your project and my skills are a great fit.

### Here's why:

- I'll tell you what I need to get the job done, and I'll stick to it. No surprises at the end.
  - My creative muscles are well-developed. I'm going to make you something you've never seen before.
  - This isn't my first project. It's not my second, either. I've been developing for a long time, and my work shows it.
  - I'll give you the best quality of work. I won't let you down.
-

**Also, many more sections to get the website deliver all that user needs:**

- Maps Section
  - Enquiry Form
  - Contact Us
  - Testimonials
  - Gallery
  - Footer
- 

Moreover, the website will be fulfilling your and your user's needs, **open for needed corrections.**

---

### **What This Project Will Cover:**

- **Design** of an interactive PG site with beautiful animations.
  - **Development** of the site carrying comprehensive information and dedicated pages where needed.
  - **Deployment** of the site on a fast server (Vercel etc.).
  - **Domain** for the site.
- 

### **Available Suitable Domains:**

- pg11.in
- pg-11.in

## Cost of the project:

The project covers all the aspect of a website from design to development and **I've tried to get it at the most affordable rates.**

Service	Cost
Design of the site	Rs. 700/-
Development	Rs. 1500/-
Deployment at Vercel	Free
Domain (Valid for a year)	Rs. 850/-
<b>Total Cost</b>	<b>Rs. 3050/-</b>

\* The domain for **2 years** is available at Rs. 1450/-  
So, the website can be **completely up for 2 years** at the total cost of Rs. 3650/- only.

## Timeline for the Project:

If we get started on **21 November**, I can get complete:

- Design by 22 November (2 days)
- Development by 26 November (4 days)
- Deployment and Domain by 27 November (1 day)

So, if we get working together, we can get the website **live on the web on 27 November**.

---

I assure you to get your needs and priorities translated into the website I build and deliver the quality work that both of us **would be proud of**.
